DETAILED ACTION

EXAMINER 'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Graciela G. Cowger on 04-12-05

The application has been amended as follows:

In the claims:

Claims 16-23 are canceled.

Reason for Allowance

2. Regarding claims 1-15, the prior art fails to teach or suggest a method for establishing a logical point to point connection in a network comprising a plurality of connected switching nodes, the method comprises a step at intermediate switching nodes along a logical point to point connection within the network, receiving data that includes the label value and then transferring the data to the next hop node for the label value, in combination with other limitations, as specified in the independent claim 1.

Regarding claims 24-33, the prior art fails to teach or suggest a metropolitan area network that comprises an ingress node that establishes a layer 2 logical point-to-point connection through the intermediate nodes to the egress node by assigning a label to the Ethernet frames that the intermediate nodes associate with the identified next hops along the point-to-point connection, in combination with other limitations, as specified in the independent claim 24.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Ho whose telephone number is (571) 272-3147. The examiner can normally be reached on Monday through Friday from 7:00 am to 3:30 pm.
